- Salem HOSTS and CURATES a show to your convention
- This includes 2-3 additional talent from Texas
- Show is completely themed (if you prefer) to your convention's theme, and performances are also accommodating to the theme
- You will cover the additional entertainers' flight/travel, hotel, and food for the weekend, as well as provide a badge for the duration of the con. No appearance fee is needed for the other entertainers.
- You are welcome to make this a ticketed event, however if you do, a portion of door is given to Kiba/Salem (10%)
- This is the best combo because you get a show curated, hosted, and set up by industry professionals, the only thing needed would be the main stage and someone to run lights and sound, and you don't need to pay additional appearance fees, just a show fee.
